“Everybody has been so nice, and they’ve been very patient. They go the extra step here, and I am so grateful for it. It’s been a lot trying to get back up on my feet, and it’s really awesome that there’s people here to support me and encourage me to keep going.”

WHY WE GIVE
“We give to CWIT because it is an amazing organization full of amazingly talented and generous people. If you ever have the privilege of speaking to someone they have touched, it is evident that they follow their heart and have a deep passion in helping the women they serve. This not only impacts the women’s lives, but their families and the community as well.”

- Michael & Mary Bock, Donors

WHY I VOLUNTEER
“Since I have a deep concern about the overall state of the criminal justice system, I have a deep respect for the work CWIT does with women who are impacted by that system, helping them to see positive possibilities for themselves in their future.”
