

TRICK...OR TRIVIA?

A Virtual Trivia Night to support the Center for Women in Transition

FREQUENTLY ASKED QUESTIONS

Trivia Night Questions

How does a Virtual Trivia Night work?

At the beginning of the event, you will receive a tutorial led by professional trivia night hosts for how the evening will work. During that tutorial, they will provide you with all of the information you will need to participate, so it's important that you try to join on time. Trivia Night will take place through the Zoom platform. For each round of trivia, the moderator will read the questions, then trivia teams will have the chance to deliberate privately amongst yourselves through a Zoom function called "break-out" meetings. Your team captain will fill in the answers on the answer sheet and turn it in for grading (they will receive the answer sheet and instructions the night of). After the allotted time to answer the trivia questions, the moderators will bring you back to the big group.

What are the topics or categories of questions being asked?

There is one round with Halloween-themed trivia. All the rest of the rounds are surprise topics! The questions have been created by the professional trivia company, Trivia Hub Live.

How long are the rounds or time to answer questions?

Each round is ten minutes. We ask the questions together as a group, and then afterwards your team is placed in private breakout rooms where you can discuss your answers for 10 minutes. Afterwards, we all come back together and go over the correct answers! Stay tuned for a comprehensive video going over how virtual trivia works!

How do the answer sheets work?

Your team will choose a team captain. Captains will register their Team Name and members at a URL provided at the event start. Players can access this link with any device's web browser (Laptop, tablet, phone). Captains are given their online answer sheets for each round. Once answers are submitted they can't access previous rounds. Captains type or select answers with every question and submit at the end of the round. All questions require an answer to be submitted.

FREQUENTLY ASKED QUESTIONS

Trivia Night Questions

How can I communicate with my team's virtual table outside of the break out rooms?

In order to stay connected with your virtual team outside of the breakout rooms, we recommend setting up a group chat through Facebook Messenger, GroupMe, Group texts, or email chat functions through Google, Outlook, etc. If you registered as an individual and wanted to be placed on a random team, you will have an opportunity to meet everyone and set up this groupchat at the event.

Do I need a Zoom account to log into the event?

No, you do not need to have a Zoom account to participate. We are partnering with a professional trivia company with experience hosting virtual trivia nights. Zoom does not require you to have an account for you to use Zoom. If you've never used Zoom before, once you click on the event link, it will prompt you to install the app. Learn more at <https://support.zoom.us/hc/en-us/articles/201362193-How-Do-I-Join-A-Meeting->

What if I have questions during the event?

Zoom has a Q&A feature at the bottom of the video screen. Type your question there and someone will either type their answer back to you, or it will be answered live by the Trivia Night host.

How do I create/change my Zoom virtual background?

In order to create a Zoom background, go to this link: <https://support.zoom.us/hc/en-us/articles/210707503-Virtual-Background>. BONUS: the most creative Zoom background gets a prize.

Do I need to be on camera for the event?

You do not need to be on camera for the event. Although it is recommended to get the full interactive experience as you would have at an in-person Trivia Night, we respect people's personal choices and privacy.

FREQUENTLY ASKED QUESTIONS

Trivia Night Questions

How do the mulligans work?

You can purchase mulligans during your registration for \$15. You can only purchase 1 mulligan per player. Mulligans allow you to "cheat" on one question during the game. Once you purchase a Mulligan, you will receive a secret code word prior to the event that you can type into the answer sheet. You can purchase a mulligan during the game by typing in the Q & A chat that you'd like to purchase one. A team member will give you the link to make the purchase and the secret code word.

How do you ensure nobody cheats?

Due to Trivia Night being virtual, there is no way for us to check and ensure people are not cheating. It will be entirely based on the honor system. While the use of the internet, encyclopedias, books, or another material other than your own knowledge is strictly prohibited, there is unfortunately no way for us to monitor this. This is a fun event to raise funds for a good cause, so we expect everyone to share this attitude!

Do I need to wear a costume?

Costumes are not required, but they are encouraged! The team with the best group costume will win a prize!

What are the prizes?

There will be several prizes given throughout the night, including for best costume, best Zoom background, and, of course, the winning team. The prizes will consist of never-before-seen CWIT merch, a commemorative certificate/trophy, and bragging rights for a whole year.

If I will be running late to the event, what do I need to do?

If you are running late, just log onto the event and someone will be able to guide you to your team and help you from there. If you don't get direction in the first couple minutes after you log on, just type in the Q&A feature of Zoom that you are there and we'll be there to assist you. If you were planning on being the "Team Captain," you'll want to let your teammates know so that they can choose a new captain.

Registration Questions

When is the deadline to register for trivia?

The deadline to register for trivia is 24 hours before the event starts, on October 23, 2020 at 7:30 pm. However, tickets are likely to sell out much earlier than that, so be sure to register immediately!

What are the perks of purchasing a VIP ticket?

A VIP registration includes fun snack packs delivered to your doorstep, and admission into the Monster Bash Zoom After Party! After you register as a VIP, a trivia night committee member will reach out to you to coordinate delivery. For the Monster Bash Zoom After Party, VIP registrants are invited to stay on for 30 minutes following the event. During the After Party, we'll have bonus trivia questions with prizes, a time to chat with other participants, and more!

If I purchase an individual seat, how can I be paired with people I know that have also purchased individual tickets?

In our registration form you are able to specify people who you want on your team. For example, if you're starting a team and want your friends to join and buy their own tickets, they can mark you as the team captain. If you already registered but didn't include this information, you can email our Development Director at brittanycampbell@cwitstil.org or call our office number at 314-771-5207 to update your registration. We can guarantee you will be on a team with your friends/family who have also purchased a ticket as long as you register 24 hours in advance.

If I register for a team of 8, but haven't figured out who's on my team yet, is that okay?

Yes, you can reserve a table and figure out who your teammates will be later. Once you figure out who will join your team, you can reach out to cwite@cwitstl.org to send the names and emails of your teammates to us, or forward your registration confirmation email to your teammates so that they have access to the event link on the night of.

Registration Questions

If I purchased an individual seat, but now want to upgrade to a table or VIP, what do I need to do?

You can definitely upgrade! Please email our Development Director at brittanycampbell@cwitstl.org or call our office number at 314-771-5207 to upgrade.

If I purchase an individual seat, is it OK if another family member jumps on?

If you believe another family member may want to join on during Trivia Night, we recommend still purchasing a ticket and registering them for the event. Teams should have max 8 players. In general, we follow the "honor system." If they decide to join at the last minute and your team doesn't have 8 players yet, then that's fine.

Can I still sponsor Trivia Night? What are the perks?

Yes! There are still sponsorship opportunities. Perks vary based on sponsor level, but include a VIP table, logo promotion on our marketing materials, and a shoutout during the event.
